Beliefs About Behavior Account for Age Differences in the Correspondence Bias. Jennifer Tehan Stanley and Fredda Blanchard-Fields 169

Self-reported Goal Pursuit and Purpose in Life Among People with Dementia. Wingyun Mak 177

Change to Structured Abstracts

Beginning in the November 2010 issue, the Journal of Gerontology: Psychological Sciences will publish manuscript abstracts using the structured outline format. Beginning now for new submissions, on the page immediately following the title page, include a structured abstract of not more than 200 words, double spaced. It should contain four sections: Objectives, Methods, Results, and Discussion.
ADVERSITY, RESOURCES, AND WELL-BEING

Religion, Suffering, and Self-rated Health Among Older Mexican Americans ........................................... Neal Krause and Elena Bastida 207

Mistreatment and Psychological Well-being Among Older Adults: Exploring the Role of Psychosocial Resources and Deficits ............................................................... Ye Luo and Linda J. Waite 217

How “Successful” Do Older Europeans Age? Findings From SHARE ................................................... Karsten Hank 230
